RE: CC Docket No. 96-45 and WC Docket No. 05-337
NOTICE OF EX PARTE PRESENTATION

Dear Ms. Dortch:

On July 17, 2008, F.J. Pollak, President and Chief Executive Officer, TracFone Wireless, Inc., and Cesar Conda of Navigators, LLC met with Chairman Kevin J. Martin.

During the meeting, Messrs. Pollak and Conda discussed with Chairman Martin Universal Service reform, specifically, the proposal to establish a telephone numbers-based contribution methodology, and how to accommodate the special concerns of the prepaid wireless industry segment and its customers if such a methodology were adopted. In addition, they discussed the progress of TracFone's implementation of its Lifeline service offering for low-income consumers following the Commission's April 11, 2008 order designating TracFone as an Eligible Telecommunications Carrier, as well as ideas for facilitating availability of broadband services to low-income households. The positions expressed were consistent with those set forth in prior filings.

Pursuant to Section 1.1206 of the Commission's rules, this letter is being filed electronically. Please direct any questions regarding this presentation to undersigned counsel for TracFone.

Sincerely,

Mitchell F. Brecher
